"Clean, bright and pack a punch."

"When heard in stereo environment, these sounds come alive as they appear to dance across a three dimensional field."

April, 93'

Duplicate Your Music On CD!

CD Mastering

\$20 per song. 5 song minimum.
We only use top of the line EQ's, Tube Preamps, Exciters, Enhancers and state of the art Compression to make your CD's loud, clear and full of bass.
With over 10 years of experience we have the quality and expertise you need to get the job done right.
Included with your mastering order you get one CD-R and a simple black and white label on the CD. Additional CD-R copies with labels are \$6 each.
We can accept Cd's, dats and even cassette tapes as master of which you are the copyright holder.
Past clients include: DMC Records, Thump Records, Megatone Records, Hypnotic Records.

CD Duplicating

Supply your CD as a master and we will duplicate CD-R copies with black and white labels. \$6 each minimum 10 CDs.
A CD order form MUST be filled out before any mastering or CD duplication begins.
Each CD will be marked with "manufactured by Midi Mark / CA" as constituted by the State of California.
To get an order form visit our website at: <http://www.midimark.com/cdform.html>
Or call to get one by fax or mail.
Great to use as demo's.
All prices subject to change.
